Jesus came to reveal  
our Heavenly Father  
to us. He spoke a lot  
about God being our  
Father in the 4 gos-  
pels. When we learn  
to relate to God as  
our Father, our per-  
spective & experience  
of Him changes.

Letting go of our past misconceptions of God is key to knowing and experiencing His presence. If something bad is happening in our life, it's important to thought stop anything that is contrary to His Word. He didn't cause it. He wants us to be in health. He wants the best for our lives. Just like a good earthly father wants good for his children, so does our heavenly father. Ask anyone in the grocery store today, "what do you want for your children?" Most will answer, "why happiness." God cares about us and wants us to be happy, and He wants us to know and experience Him daily as we walk this resilient pathway.

Today we are reminded that God is our Father, and He cares about everything we are facing. Let's allow Him into our lives. He so longs for us to commune with Him i.e. communicate! He wants us to know Him and His unconditional Love for us through His Word, The Bible. Let's remind one another of His constant care for us. We are His! No one can separate us from His Love.

The Message Bible Romans 8:15

This resurrection life you received from God is not a timid, grave-tending life. It's adventurously expectant, greeting God with a childlike "What's next, Papa?" God's Spirit touches our spirits and confirms who we really are. We know who he is, and we know who we are: Father and children. And we know we are going to get what's coming to us—an unbelievable inheritance! We go through exactly what Christ goes through. If we go through the hard times with him, then we're certainly going to go through the good times with him!
