

Healing Retreats - Ascension Academy - Transformational Speaking

As a Women, no matter how successful we are in our careers and businesses, or ministries, we are often feeling the heavy burden of silently carrying our "unsaid." These unsaid challenges are often not openly discussed because of ultimately revealing one's true self. This tends to limit our success at unimagined higher levels.

Revolution Ascension provides a safe and sacred space to address Women's challenges that delivers solutions in a revolutionary, radical, and powerful manner. Client outcomes are spiritual alignment, released authenticity, and unleashing one's Divine Feminine POWER!

Through our uniquely designed process of awakening, self-discovery, transformational healing, and ascension to one's highest self, clients walk away with practical solutions that empower them to flourish in their limitless greatness; for a life filled with ease and grace, centered around freedom, abundance, wisdom, and most importantly, the whisperings of their inner heart.
