You can edit how often you are mailed the newest posts from the Blogs you are subscribed to. Select whether or not you want emails, and how many days apart to receive the emails.

Stations

Stations offer you a way to group multiple subscriptions together, such as all Music events in a Music Station, and all Business Events in a Business Station. You can even receive an email every time there is a new post. You choose if you want to get emails every day, every several days or every week. Or you can subscribe to the rss feed on your phone or computer. Simply put the name of the Station in the box next to "Add Station" and press the Save button. Then you can add individual Conferences to a station as you subscribe to their feeds.
